Hello Arts and Science Faculty,

The Faculty of Arts and Science IT department are proud to introduce the newest LME, Quercus. It is an all-in-one platform that understands the needs of professors and TAs. Keeping everything in one platform is not only helpful for students but keeps all your content in one place for years to come. Quercus offers a variety of services that a more robust than our previous system Blackboard. We will be hosting workshops august 27th to 31st and September 3rd to 7th where you can learn how to set up your and create your courses in Quercus. Sign up on our website artsci.utoronto.ca and get a head start on creating the perfect course for your students.
